Dear All,

We are pleased to announce that the 18ème Congrès Association France-Japon d'Orthopédie will be held on Friday, 10 April 2026, and Saturday, 11 April 2026, at the Hirosaki City Hall. This historic conference will be the first of its kind to be held in the Tohoku region. We deeply appreciate this honour and once again extend our heartfelt gratitude.

We will strive to make this conference a meaningful opportunity to discuss the history and latest research findings of orthopaedic surgery in both countries, as well as a chance for cultural exchange. We sincerely look forward to your participation in presenting research from diverse perspectives in the field of orthopaedic surgery. Abstract submissions for general presentations will be accepted from noon on Monday, 11 August 2025, to noon on Friday, 10 October 2025.

We look forward to receiving your abstract submissions.

The latest information regarding the academic conference will be posted on the official website (<https://afjo2026.com>). Please check the website regularly.
